Saves Health of Old People---Trial Free

A healthy old couple who have lived a long life together make an ideal picture. But unfortunately so many old people have a dismal life. Even if they are otherwise in good health they seem to suffer from constipation and indigestion. It is the penalty of old age. To old people the best advice is—Be careful of your food. But even that is not all. The stomach and bowel muscles are no longer as active as they used to be, and on that account movement of the bowels is more difficult. To aid nature take a mild laxative like Dr. Caldwell's Syrup Pepsin whenever you find yourself becoming constipated or when you have any difficulty digesting your food. It is not strong like salts or purgatives, but is mild, gentle and non-gripping—just what elderly people need. It is the best laxative for old people, as it is for women and children. Many men and women far beyond seventy have been able to discard all medicines after a brief use of Syrup Pepsin. The regular bottles can be obtained of any druggist at fifty cents or one dollar, but we suggest that you make a free trial of it first, as so many others have done. Send your address to Dr. Caldwell and he will send you a free sample bottle.

The following are some extracts from letters Dr. Caldwell has received:

"Your free sample bottle came in due time, and I was so gratified with results that I bought a larger bottle. It is doing me a great deal of good. I have had trouble more or less with my stomach ever since I left the army, but have never taken any medicine for it. I am 79 years old, and have been troubled with a torpid liver, but feel that I now have the right remedy and will no longer have the trouble. Also, it acts without inconvenience." Mrs. W. H. Carter, Maywood, Ill.

"I am 73 years old; have been seriously afflicted with heart trouble for over 15 years, unable to do anything during that time; have spent all I had purchasing with several local doctors and many special constipation of a very serious nature. I would, for years, go from three to five days without a movement; I would, for years, go from until I was entirely tired of life. Have tried everything. I saw you so much good that I got a 50c bottle, and have taken it as per directions regularly, shall get another bottle today. It has done me a world of good. It is the nicest to take and the most effective of any remedy I have ever used. It is simply a god-send to me." A. A. Lewis, R. 2, Box 51, Bentonville, Ark.

"I received your free sample of Syrup Pepsin and have taken it, and am now taking a \$1.00 bottle. It is doing me a great deal of good. I have had trouble more or less with my stomach ever since I left the army, but have never taken any medicine for it. I am 79 years old, and have been troubled with a torpid liver, but feel that I now have the right remedy and will no longer have the trouble. Also, it acts without inconvenience." Mrs. W. H. Carter, Maywood, Ill.

"I have tried your Syrup Pepsin, and found it all that you claim. I am recommending it to the old veterans, and they are buying it on my word. I shall use it as long as I live. I cannot praise it enough." Enoch Gilpin, National Soldiers, Home, Danville, Ill.

Pinehurst Social News

(Special to The Times-Dispatch.)
Pinehurst, N. C., March 25.—Throughout the village all nature smiles, the air is fragrant with blossoms, and musical with the song of the mocking-bird and affairs in the open air claiming the attention of all, and the social calendar has few open dates.

Most enjoyable of the week's affairs was the annual "Living Pictures" at the Carolina, witnessed by an audience which filled the music hall to overflowing; many standing throughout the evening. The program was mainly reproductions of famous masterpieces.

St. Patrick was honored with a masquerade dance at the Inn, the music hall decorated with Erin flags, emerald streamers and shamrock; the young women in white robes, touched with green, contrasting prettily with the festive evening dress of the men, relieved by green breast ribbons. Leslie D. Pierce, of Rochester, and Miss Virginia B. Lopez, of Brooklyn, and J. H. Mitchell, of New York, and Miss Bernadette Herman, of Washington, led several cotillon figures.

Entertaining at dinner were J. M. Thompson, of Philadelphia, and Charles Jones, of Pittsburgh. A solo and bridge party by the members of the village club was held at the Carolina Thursday, and a card party at the Berkshire.

Mr. Beachey and his Curtiss biplane have occupied a lion's share of attention in the intervals between the annual women's and the whistlers' golf and State and club championship pistol shoots.
